

Thomas H Brown Memorial Scholarship Tourney

2007

Thomas Hayes Brown was a friend, a brother, a teacher, and a coach. He was known by many, and loved by all those who crossed his path. Tom was passionate about many things, and his demeanor was consistently indicative of this. One of those passions was golf, and another was Kappa Delta Phi. Within the realm of golf, he had worked at Kebo Valley, Tidewater, and Causeway Golf Clubs. Tom also coached golf with the Mount Desert Island School System. Both fraternal and educational passions are the focal point of this event. Every year since his premature death at age 39 we assemble to cherish his memory, contribute to a wonderful cause with the THB Memorial Scholarship, and create sensational memories from both new and rekindled bonds.

We welcome personal donations of both monetary and property disposition, as well as corporate donations and sponsorships.
